Dear Friends,

I am officially writing to kick off our Warrior Fund Appeal. I want to thank all of those who gave so generously in last year's appeal. It was quite evident of the SMRS families' loyalty and support.

Last year's Warrior Fund allowed us the opportunity to start working on our goal of Chromebook use in the classrooms. We have been able to acquire three classroom sets of Chromebooks, and one more additional set through a private donor. We will continue in our mission of nurturing and developing self-confident, service oriented, lifelong learners, in an atmosphere where development and superior education occur along with respect, dignity, and faith. This year the Saint Michael Annual fund will focus on the following key needs:

- ✓ Continued Upgrades in technology
- ✓ Accelerated Academic Programs
- ✓ Security enhancements

Won't you please consider a contribution to this fund to allow the school to continue its pursuit of excellence! Over the last 10 academic years, our students have and will continue to demonstrate both educational excellence and Christian values through their activities and achievements.

Your support of the Warrior Fund will make a difference in the lives of all of our students. We hope you will consider a gift this year. Your tax-deductible gift will provide direct funding for educational enhancements that tuition alone does not cover. We have enclosed a pledge card and envelope for your convenience. Be sure to check if your employer has a matching gift program – it is a quick and easy way to increase your gift.

I prayerfully thank each of you.

May God continue to bless you,

*Miss Janice Bruni*
