We are in the process of compiling the budget for 2018-2019. In order to balance the budget, we are in need of **EVERYONE'S** registration. The budget will determine tuition, financial aid, books, technology, educational programs, staff, and much more for next year. Financial Aid applications are still open on the FACTS website. You may still apply.

The registration fee is **\$125** per student for all grades Pre-k through 8th grade. SMRS students are given first preference. Send in your registration form and payment **ASAP** to reserve your spot.
