We Need You.....

There is no substitution for a personal story, so we would be grateful to you for sharing yours as a proud Catholic school alum and/or the parent of Catholic school students/graduates. We'd like for parents, parishioners, and Catholics throughout the diocese to know what makes a Catholic school different. How did your Catholic school education shape your life as an adult, or, if you are a Catholic school parent, how the school has influenced your child and family. We are in need of parents and grandparents to speak at Mass for the kick off of Catholic Schools' Week on the weekend of January 27th and 28th. During these Masses, all parishes will hold a second collection that will benefit financial aid for all South Jersey Catholic Schools.

If you volunteer to speak at one of the Masses, your speech should be 3-5 minutes long, heartfelt and passionate, expressing what the gift of a Catholic school education means to you. We will provide you with bullet points on the topics that should be covered. Please contact Sheri Klein at sklein@smrsonline.com if you are able to help out.
