

ST. MICHAEL THE ARCHANGEL REGIONAL SCHOOL

Parents and Students,

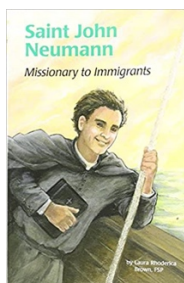

Below are the two books for summer reading for incoming Fourth Grade students. Both of these books are available on Amazon for purchase. There will be a test on the Wizard of Oz upon returning to school.

Students should continue to use [Freckle.com](https://www.freckle.com) to practice their math basic skills. They should review content learned and move into some of the fourth-grade math skills by the end of August.
